Several took some of the joy out of my glads this summer. I got so many letters from the fragrant hybridizers that I got odor conscious. As I cut an unusual number this fall had a good check and found odor and plain stinks, as well as fragrance so glads have to bear their share of my sneezing.

In the small flowered ones

242	Cherub, Spen 54. Well behaved pink and white	2/30	3/25	4/25	15/25
236	Flashy, Wils 56. Light red, yellow darts, odor good	50	25	2/25	10/25
247	Sweetie, Spen 54. Light red, white throat, smelliest	25	25	2/25	10/25
